1. Which institution has developed Project Abhay to enhance health and safety of truck drivers?

- [A] IIT Bombay
- [B] IIT Delhi
- [C] IIT Kanpur
- [D] IIT Roorkee

Answer: IIT Delhi

Union Minister Nitin Gadkari inaugurated Project Abhay, an initiative to boost truck drivers' health and safety. The project, developed by IIT Delhi's Centre for Rural Development & Technology (CRDT), screens truck drivers' health. Over 50,000 truck drivers across six states were screened, focusing on health and vision issues. More than half of drivers had vision problems, and the project successfully corrected many. The initiative improved drivers' social security benefits and quality of life.

- [A] RailConnect

- [B] SwaRail
- [C] RailGo
- [D] None of the Above

Answer: SwaRail

The Ministry of Railways has launched the 'SwaRail' SuperApp, designed to streamline various railway services. The app offers services like reserved and unreserved ticket bookings, as well as platform ticket bookings. A major focus of the app is enhancing user experience with a clean and seamless interface. It has been developed by the Centre for Railway Information Systems (CRIS).

4. Which state government has launched the Satellite Township scheme to promote urban development?

- [A] Maharashtra
- [B] Karnataka
- [C] Odisha
- [D] Bihar

Answer: Karnataka

Karnataka Cabinet has approved the Greater Bengaluru Integrated Satellite Township, covering 8,032 acres between Bidadi and Harohalli. The project aims to decongest Bengaluru and will span 10 villages in Ramanagara district. Satellite towns, including Devanahalli and Magadi, will be developed with improved road and rail connectivity. The vision includes reducing urban congestion, creating jobs, and building sustainable infrastructure. A committee will oversee implementation, with a global tender for designing the township based on the "work-live-play" concept. The Greater Bangalore Development Authority will manage all development activities in the Bengaluru Metropolitan Region.

5. The Uttar Pradesh government has recently implemented 'Operation Eleven' in which city?

- [A] Prayagraj
- [B] Ayodhya
- [C] Varanasi
- [D] Gorakhpur

Answer: Prayagraj

Uttar Pradesh implemented 'Operation Eleven' for crowd management during the Basant

Panchami Amrit Snan at Maha Kumbh. The plan ensures one-way traffic and smooth movement on pontoon bridges. Additional police forces and barricades have been deployed to prevent overcrowding at Triveni ghats. Special monitoring is in place at key locations for enhanced security. The initiative follows strict instructions from CM Yogi Adityanath under the state's "zero-error" programme.

6. Which state is home to India's first Artificial Intelligence (AI) university?

- [A] Odisha
- [B] Maharashtra
- [C] Karnataka
- [D] Andhra Pradesh

Answer: Maharashtra

Maharashtra will establish India's first Artificial Intelligence (AI) university. A task force has been formed for planning and implementation. The university will focus on AI research, development, education, and innovation. It will encourage collaboration between industry, academia, and government. The task force includes experts from academia, industry, and government. The aim is to make Maharashtra a hub for AI education, skill development, and technological innovation. The university will also work on policy formulation related to AI.

- [A] Ministry of Science and Technology
- [B] Ministry of Earth Sciences
- [C] Ministry of Environment, Forests and Climate Change
- [D] Ministry of Defence

Answer: Ministry of Earth Sciences

The Samudrayaan project under the Deep Ocean Mission received Rs 600 crore in the Union Budget 2025-26. It is managed by the Ministry of Earth Sciences. The aim is to develop a self-propelled manned submersible capable of carrying 3 people to a depth of 6,000 meters for deep ocean exploration. It will have an operational endurance of 12 hours and 96 hours in emergencies. The project focuses on biodiversity assessment and exploring mineral

resources like manganese, cobalt, and copper, contributing to the Blue Economy.

8. Which state government has denotified three Proposed Reserve Forests (PRF) to grant land rights to residents?

- [A] Assam
- [B] Manipur
- [C] Nagaland
- [D] Mizoram

Answer: Assam

Assam government has denotified three proposed reserve forests in Tinsukia district—Talpathar, Mohongpathar, and Duarmarah. This will provide land rights to over 20,000 residents, converting these areas into revenue villages. The state also announced a Rs 600 crore grant for 25,000 places of worship. New policies were introduced to support startups and defence manufacturing. The decision aims to balance environmental conservation with social and economic development.

9. Which district in Rajasthan recently introduced the 'MY NREGA App' for employment efficiency?

- [A] Sikar
- [B] Ajmer
- [C] Sirohi
- [D] Barmer

Answer: Barmer

Barmer District launched the 'MY NREGA App' to improve the MNREGA process, allowing workers to apply for jobs digitally from home. The app eliminates the need for workers to visit Gram Panchayats, streamlining employment requests and reducing delays. The app allows family members to apply on behalf of others and provides real-time tracking of applications. MNREGA workers, especially women, actively participated in the app's launch. It is being tested in five Gram Panchayats before a district-wide rollout. The app promotes digitization, efficiency, and transparency in rural welfare programs.
