India Current Affairs [Nation & States] MCQs

1. Which state has become the first in India to launch e-voting through mobile applications for municipal body elections?

- [A] Uttarakhand
- [B] Jharkhand
- [C] Haryana
- [D] Bihar

Answer: Bihar

Bihar recently became the first state in India to launch electronic voting (e-Voting) through mobile applications for municipal body elections and by-polls. Polling is happening in six Nagar Panchayats and 36 other municipal bodies. This facility is meant for people who cannot go to polling booths to vote. Senior citizens, disabled people, and pregnant women can use this option. Voters need to install the Electronic State Election Commission Bihar (E-SECBHR) app, which is currently available only for Android users.

2. Which institute organized the Ladakh Astro Tourism Festival?

- [A] National Institute of Science Education and Research
- [B] Indian Institute of Astrophysics, Bangalore
- [C] Indian Institutes of Science Education and Research, Pune
- [D] India Institute of Technology, New Delhi

Answer: Indian Institute of Astrophysics, Bangalore

Recently, the first-ever Ladakh Astro Tourism Festival concluded in Leh, organised by the Tourism Department with the Indian Institute of Astrophysics, Bangalore, to boost astro tourism and science tourism. The two-day festival aimed to promote Ladakh as a top destination for astro tourism because of its high altitude, dry weather, low light pollution, and clear skies, perfect for stargazing and observing the Milky Way.

3. Kariyachalli Island, that was recently seen in news, is located in which state?

- [A] Maharashtra
- [B] Karnataka

[C] Tamil Nadu

[D] Kerala

Answer: Tamil Nadu

After restoring Vaan island, the Tamil Nadu government has started restoring Kariyachalli island, which is located in Tamil Nadu within the Gulf of Mannar Marine National Park, under the Tamil Nadu Sustainably Harnessing Ocean Resource (TNSHORE) initiative. Kariyachalli island near Thoothukudi has shrunk from 20.85 hectares in 1969 to about 3 hectares in 2025 due to erosion and loss of sediment. The ₹50 crore project is funded by the state government and the World Bank.

4. Which state government has launched a Hedging Desk to help farmers get a fair price for agricultural produce under SMART project?

- [A] Gujarat
- [B] Maharashtra
- [C] Bihar
- [D] Jharkhand

Answer: Maharashtra

Maharashtra has launched a hedging desk in Pune to help farmers lock in prices, reduce risks, and boost incomes under the SMART Project, which stands for Balasaheb Thackeray Agribusiness and Rural Transformation Project. The desk will first cover cotton, turmeric, and maize crops to protect farmers from market price fluctuations. The initiative will expand to include more crops in the future. It is supported by the National Commodity and Derivatives Exchange and its research wing National Institute of Commodity Research (NICR).

5. Which ministry has launched the 'Safai Apnao, Bimaari Bhagao' (SABB) campaign from 1 to 31 July 2025?

- [A] Ministry of Urban Development
- [B] Ministry of Rural Development
- [C] Ministry of Housing and Urban Affairs
- [D] Ministry of Panchayati Raj

Answer: Ministry of Housing and Urban Affairs

With the monsoon season starting, the Ministry of Housing and Urban Affairs under the Swachh Bharat Mission-Urban (SBM-U) launched the 'Safai Apnao, Bimaari Bhagao' (SABB) campaign

from 1 to 31 July 2025. The campaign aims to reduce health risks from water-borne and vector-borne diseases by promoting hygiene and clean surroundings. Urban Local Bodies (ULBs) will focus on drain cleaning, garbage hotspot reduction, and awareness drives. It partners with Resident Welfare Associations (RWAs), Non-Governmental Organisations (NGOs), and other ministries to strengthen public health.

6. Which organization has developed the SACHET system to send real-time disaster alerts across India?

- [A] Centre for Development of Telematics (C-DOT)
- [B] Defence Research and Development Organisation (DRDO)
- [C] Bharat Electronics Limited (BEL)
- [D] National Informatics Centre

Answer: Centre for Development of Telematics (C-DOT)

Recently, the Department of Telecommunications and National Disaster Management Authority have been improving mobile disaster alerts to give timely warnings to people. The National Disaster Management Authority has operationalized the Integrated Alert System called SACHET, developed by Centre for Development of Telematics, based on the Common Alerting Protocol from the International Telecommunication Union. SACHET works in all 36 States and Union Territories and has sent over 6,899 crore Short Message Service alerts in more than 19 Indian languages during disasters. Now, Cell Broadcast technology is being tested to send alerts in near real-time during emergencies like tsunamis, earthquakes, or chemical hazards.

7. Where was the Guru Gorakhnath AYUSH University inaugurated in Uttar Pradesh?

- [A] Prayagraj
- [B] Varanasi
- [C] Lucknow
- [D] Gorakhpur

Answer: Gorakhpur

Recently, the President of India inaugurated the Guru Gorakhnath AYUSH University in

Gorakhpur, Uttar Pradesh. The university was described as a modern centre preserving India's ancient health traditions and values. It is expected to become a milestone for health services in Uttar Pradesh and the entire country. The President highlighted India's age-old yoga and health traditions and stressed carrying them forward for development by 2047.

8. Where is India's first wooden Gurudwara named Sri Nanak Niwas established?

- [A] Fazlika, Punjab
- [B] Shimla, Himachal Pradesh
- [C] Indore, Madhya Pradesh
- [D] Dehradun, Uttarakhand

Answer: Fazlika, Punjab

Recently, India's first wooden Gurdwara named Sri Nanak Niwas was built in Fazilka, Punjab, inside the police lines. The Gurdwara is crafted using Deodhar wood imported from Finland, known for its strength and resistance to moths, sunlight, and rain. A skilled carpenter from Ludhiana, who has experience building wooden homes abroad, carried out the construction work. This unique wooden shrine is seen as a heartfelt tribute to faith and the spirit of service, known as seva.

9. What is the name of the application recently launched by Ministry of Railways to provide one-stop railway-related services?

- [A] RailYatra
- [B] RailOne
- [C] RailSewa
- [D] RailConnect

Answer: RailOne

The Union Railway Minister recently launched the RailOne app in New Delhi. RailOne is a new super app to handle all railway-related passenger needs in one place. It was developed by the Centre for Railway Information Systems, a Public Sector Undertaking (PSU) of Indian Railways. RailOne combines services like ticket booking, real-time tracking, food ordering, Passenger Name Record (PNR) status, refunds, porter booking, and last-mile taxi.

10. The Central Adoption Resource Authority is a statutory body of which ministry?
