[A] All India Council for Technical Education
[B] NITI Aayog
[C] National Informatics Centre
[D] Indian Institute of Technology, Bombay

Answer: All India Council for Technical Education

The Central Council for Research in Ayurvedic Sciences under the Ministry of AYUSH signed an MoU with Anuvadini AI, a platform developed by the All India Council for Technical Education under the Ministry of Education. The initiative aims to make evidence-based Ayurveda knowledge accessible across language barriers in India. Anuvadini AI specialises in using artificial intelligence to translate technical, scientific, and governance-related content into multiple Indian and foreign languages.

2. What is the name of the platform developed by students from Jaipur to help defence families access government schemes?

[A] Veer Setu
[B] Sainik Sahay
[C] Veer Sahara
[D] Rakshabandhan portal

Answer: Veer Sahara

Students from Jayshree Periwal International School, Jaipur, developed the Veer Sahara App, a digital platform to connect defence families with government welfare schemes. The app uses a step-by-step form and AI-assisted voice guidance to help users easily navigate the process. It identifies relevant schemes and awards based on user input and provides direct application links. It aims to support ex-servicemen, widows, dependents, and families of martyrs by reducing complexity, delays, and dependence on intermediaries.

3. The e-GramSwaraj platform was developed under which initiative?

[A] Digital India Mission
[B] BharatNet Project
[C] Smart Cities Mission
[D] e-Panchayat Mission Mode Project

Answer: e-Panchayat Mission Mode Project

e-GramSwaraj platform has enabled cumulative payments exceeding ₹3 lakh crore for Gram Panchayats, marking a major step in digital governance. It was launched in 2020. It is an e-governance platform aimed at improving transparency and efficiency in Panchayati Raj Institutions. The platform is developed under the e-Panchayat Mission Mode Project and is integrated with the Public Financial Management System. The platform supports decentralized planning, progress reporting, and work-based accounting, strengthening grassroots governance.

4. The National Assessment and Accreditation Council (NAAC) is an autonomous institution under which organization?

[A] All India Council for Technical Education
[B] University Grants Commission
[C] Ministry of Education
[D] NITI Aayog

Answer: University Grants Commission

National Assessment and Accreditation Council has not granted fresh accreditation to any university or college in the current academic year, raising concerns about the accreditation process. NAAC was established in 1994 as an autonomous institution under the University Grants Commission. Its primary objective is to assess and enhance the quality of higher education institutions (HEIs) through a structured accreditation process. It evaluates institutions such as colleges, universities, and other recognised bodies to determine their overall quality status.

5. The SHe-Box Portal was launched by which ministry?

[A] Ministry of Home Affairs
[B] Ministry of Labour and Employment
[C] Ministry of Women and Child Development
[D] Ministry of Law and Justice

Answer: Ministry of Women and Child Development

The SHe-Box Portal (Sexual Harassment

Electronic Box) was launched on 29 August 2024 by the Ministry of Women and Child Development to strengthen implementation of the Sexual Harassment of Women at Workplace (Prevention, Prohibition and Redressal) Act. As of March 2026, over 1.61 lakh workplaces (public and private) have been onboarded, with details of 68,460 Internal Committees (ICs) and 777 Local Committees (LCs) available on the portal. The portal helps in digital monitoring, complaint handling, and compliance tracking related to workplace sexual harassment cases.

6. Which ministry is the nodal authority for implementing the Juvenile Justice (Care and Protection of Children) Act?

[A] Ministry of Home Affairs
[B] Ministry of Law and Justice
[C] Ministry of Law and Justice
[D] Ministry of Women and Child Development

Answer: Ministry of Women and Child Development

The Ministry of Women and Child Development is the nodal authority for implementing the Juvenile Justice (Care and Protection of Children) Act, which ensures safety, dignity, and well-being of children, while States/UTs are primarily responsible for its execution. The Act establishes institutional mechanisms at State and district levels, including State Child Protection Societies, Child Welfare Committees (CWCs), Juvenile Justice Boards (JJBs), District Child Protection Units, and Child Care Institutions (CCIs). Child Welfare Committees (CWCs) are empowered to take decisions for children in need of care and protection and to monitor Child Care Institutions, ensuring actions are in the child's best interest.
