India Current Affairs [Nation & States] MCQs

1. Which state/UT government launched the “One Zone, One Operator” project in October 2026 to improve sewerage infrastructure?

- [A] Delhi
- [B] Haryana
- [C] Jammu and Kashmir
- [D] Punjab

Answer: Delhi

Delhi Government launched the “One Zone, One Operator” project worth ₹17,969 crore to improve sewerage infrastructure. Delhi will be divided into 6 zones, with one operator responsible for sewer lines, manholes, pumping stations and complaints. Delhi Water & Sewer (Tariff and Metering) Regulations, 2026 replace the 2012 regulations. Delhi Jal Board (DJB) will shift from reactive repairs to planned preventive maintenance, with geo-tagged inspections, real-time monitoring and 100% mechanical/robotic sewer cleaning. DJB currently manages 11,212 km sewer lines, 6.68 lakh manholes and 145 pumping stations across 68 Assembly constituencies.

2. The Indian Army recently conducted Exercise “Jai se Vijay” in which state/UT?

- [A] Rajasthan
- [B] Gujarat
- [C] Punjab
- [D] Jammu and Kashmir

Answer: Rajasthan

The Indian Army conducted Exercise “Jai se Vijay” near Dantour in Rajasthan, close to the India–Pakistan International Border. The exercise was conducted by the Sapta Shakti Command to demonstrate operational preparedness, mobility and rapid response capability. A strategically important stretch of National Highway-911 (NH-911) was temporarily converted into a military runway for Army helicopter operations. Rudra, Dhruv and Chetak helicopters carried out landing and take-off drills on the highway. The exercise was conducted under the theme “Mission Ready, Future Ready.”

3. Which government body is responsible for implementing the the Intelligent Traffic Management System (ITMS) project in Delhi?

- [A] Delhi Police
- [B] National Highways Authority of India
- [C] New Delhi Municipal Council
- [D] Delhi Development Authority

Answer: Delhi Police

The Cabinet Committee on Economic Affairs (CCEA) approved the Intelligent Traffic Management System (ITMS) Project for Delhi at an estimated cost of ₹1,789.52 crore. Delhi police is responsible for implementing the ITMS project. It aims to improve traffic management through real-time data, AI-enabled technology and automated enforcement. The system will cover 42 identified traffic corridors and will be implemented in three phases over 24 months, followed by five years of operation and maintenance.

4. Which state became the second in India to get approval to implement the Uniform Civil Code?

- [A] Gujarat
- [B] Madhya Pradesh
- [C] Andhra Pradesh
- [D] Rajasthan

Answer: Gujarat

Gujarat became the second state in India to get approval to implement the Uniform Civil Code (UCC) after President Droupadi Murmu gave assent to the legislation. The Gujarat Assembly passed the UCC Bill in March 2026 after a discussion lasting around seven and a half hours. The UCC provides a common legal framework for marriage, divorce, succession and live-in relationships, irrespective of religion. The Gujarat government will frame and announce the rules, after which the UCC will come into effect in the state. Uttarakhand was the first state to implement the UCC, in February 2024.

5. Which Municipal Corporation in Haryana launched the ‘GVP Mukht Abhiyan’ under Swachhta Hi Seva 2026?

- [A] Faridabad Municipal Corporation
- [B] Hisar Municipal Corporation

- [C] Panchkula Municipal Corporation
[D] Gurugram Municipal Corporation

Answer: Gurugram Municipal Corporation

On Gandhi Jayanti (2 October 2026), the Gurugram Municipal Corporation launched 'GVP Mukht Abhiyan' under Swachhta Hi Seva 2026. GVP refers to Garbage Vulnerable Points—locations prone to repeated garbage accumulation. The campaign will run until 11 October 2026. During the campaign, 21 Garbage Vulnerable Points in Gurugram will be made GVP-free. The campaign emphasises three pillars: government system, modern technology and public participation. Citizens are encouraged to segregate waste at source and prevent garbage from accumulating again. The objective is not merely one-time cleaning but to promote responsible citizen behaviour and make cleanliness a comprehensive citizen-led campaign.

6. A saffron cultivation pilot project was recently launched at which place in Ladakh?

- [A] Nubra
[B] Spituk Pharka
[C] Pangong
[D] Kargil

Answer: Spituk Pharka

A saffron cultivation pilot project was recently launched at Spituk Pharka in Leh, Ladakh. It aims to test whether saffron can be successfully cultivated in Ladakh beyond its traditional cultivation region in Jammu & Kashmir. The project uses reclaimed land and high-quality saffron corms. Ladakh's cold, dry climate and high altitude may be suitable for saffron cultivation. If successful, saffron could become a high-value cash crop, providing an additional source of income for local farmers.
